

Food Bagging Instructions

Items Needed:

- 30+ pound bags of dog or cat food (the larger the better, adult or puppy/kitten)
- 2-gallon Ziploc bags
- Permanent Markers
- Labels (optional)
- Food scoops/measuring cups for ease

Packaging Steps:

1. Label 2-gallon Ziploc bags/label with the following information from the food bag label
 - a. Animal Breed: Dog or Cat
 - b. Animal Age: Puppy/Kitten (0-1 years old) or Adult (1-7 years old)
 - c. Brand of Food
 - d. Protein Source (Chicken/Salmon/Beef/Rice)
 - e. IF the food is Grain Free, write "Grain Free"
 - f. Expiration month and year (ex: July 2018)
2. Open the large bags of food so you have a wide opening at the top
3. Fill the 2-gallon Ziplocs as full as possible with food, but make sure the bag can still close. Food scoops are helpful for this!
4. Load Ziploc bags into tubs/bins/boxes
5. Transport to the Secondhand Hounds office during our [office hours](#): 5959 Baker Rd #390, Minnetonka, MN 55345
