

Fleece Tie Blanket Instructions

Items Needed:

- Assorted fleece fabric (cut into squares - minimum of 3'x3')
- Scissors

Steps:

1. Align two 3'x3' square pieces of fabric on top of one another
2. Cut 2x2" squares out of each of the 4 corners
3. Cut slits 1"-2" long from the edge inward towards the middle, through both pieces of fabric. Cut these slits around the entire square.
4. Use these slits to double knot together the top and bottom fabric.
5. Double knot around all the edges until the blanket is completely tied together. Done!
